My heart will go on

Every night in my dreams
I see you, I feel you,
that is how I know you go on
Far across the distance
and spaces between us
You have come to show you go on.

Near, far, wherever you are,
I believe that the heart does go on.
Once more you open the door
And you're here in my heart,
And my heart will go on and on.

Love can touch us one time
and last for a life time,
and never let go till we're gone.
Love was when I loved you
one true time I hold to.
In my life we'll always go on.

Near, far, wherever you are,
I believe that the heart does go on.
Once more you open the door
And you're here in my heart,
And my heart will go on and on

We'll stay forever this way.
You are safe in my heart,
and my heart will go on and on.

Oh happy day

Oh happy day, ...
Oh happy day, ...
When Jesus washed, ...
Oh when He washed, ...
Mmm, when He washed, ...
He washed the sins away [*Oh happy day*]
Oh happy day [*Oh happy day*]

He taught me how to watch, fight and pray
[*Fight and pray*]
He taught me how to watch, fight and pray
[*Fight and pray*]

Amen

Amen, amen
Amen, amen, amen.
See the little baby
Amen
Lying in the manger
Amen
On Christmas morning,
Amen, amen, amen.

See Him in the temple
Talking to the elders.
How they all marvelled.

See Him at the seashore
Preaching to the people;
Healing all the sick ones.

See Him in the garden
Prayin' to the Father
In deepest sorrow!

See Him on the cross
Bearing all my sins
In bitter agony.

Yes He died to save us
And He rose on Easter.
Now He lives forever!

I Want to Spend My Lifetime Loving You

Moon so bright, night so fine,
Keep your heart here with mine
Life's a dream we are dreaming
Race the moon, catch the wind,
Ride the night to the end,
Seize the day, stand up for the light

I want to spend my lifetime loving you
If that is all in life I ever do

Heroes rise, heroes fall,
Rise again, win it all,
In your heart, can't you feel the glory?
Through our joy, through our pain,
We can move worlds again
Take my hand, dance with me

I want to spend my lifetime loving you
If that is all in life I ever do
I will want nothing else to see me through
If I can spend my lifetime loving you

Though we know we will never come again
Where there is love, life begins
Over and over again

Save the night, save the day,
Save the love, come what may,
Love is worth everything we pay

I want to spend my lifetime loving you
If that is all in life I ever do
I want to spend my lifetime loving you
If that is all in life I ever do
I will want nothing else to see me through
If I can spend my lifetime loving you.

We are the World

"There comes a time
When we need a certain call
When the world must come together as one
There are people dying
Oh and it's time to lend a hand to life
The greatest gift of all

We can't go on pretending day by day
That someone, somewhere
will soon make a change
We are all part of God's great big family
And the truth you know, love is all we need

Refrain:

*We are the world, we are the children
We are the ones who make a brighter day
So let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day,
just you and me*

We'll send them your heart
So they know that someone cares
And their lives will be stronger and free
As God has shown us
By turning stone to bread
And so we all must lend a helping hand

Refrain

Go tell it on the mountain

Go tell it on the mountain
Jesus Christ is born

- Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
Jesus Christ is born
- Down the lowly manger
The humble Christ was born
And God sent Salvation
At last a priest is born
Alleluia

- While Shepherds kept their watch
Over silent flocks by night
Go through the heavens
They showed the Holy light
Alleluia

All You Need Is Love

Love, Love, Love.
Love, Love, Love.
Love, Love, Love.

There's nothing you can do that can't be done.
Nothing you can sing that can't be sung.
Nothing you can say but you can learn how to
play the game.

It's easy.

Nothing you can make that can't be made.
No one you can save that can't be saved.
Nothing you can do but you can learn how to
be you in time.

It's easy.

Ref.: All you need is love.
All you need is love.
All you need is love, love.
Love is all you need.

Ref.

Nothing you can know that isn't known.
Nothing you can see that isn't shown.
Nowhere you can be that isn't where you're
meant to be.

It's easy.
